Hello Club Members

As you are aware many sporting organisations around the world have been impacted by the spread of the COVID-19 virus.

Grassroots football has now been affected by the measures designed to reduce the spread of the virus.

At the direction of Football Federation Australia and Football NSW, all football activities are suspended from midnight tonight, 12.00am Wednesday 18<sup>th</sup> March 2020 until Tuesday 14<sup>th</sup> April 2020. **The suspension applies to all sanctioned matches and competitions**, including National Premier Leagues, FFA Cup, youth and **grassroots football (including MiniRoos and futsal) as well as training and associated football related activities.**

Please refer to the following for more information.

The Committee asks that all members respect this decision from our Governing bodies. As such Andromeda Oval will be closed and other approved training venues including Cranebrook High School, Fit4All Penrith and Penrith Indoor Sports will be unavailable until further notice. When we have more information about the year moving forward we will get this out to you asap.

Please note this is a suspension only at this stage. We aim to have positive news closer to the resumption date.

Thankyou

Committee
