2021 Registration information

Hi members and prospective players, please see below registration fees below for season 2021.

CUFC registration fees 2021	
Age group	Rego fee
U5-U8	\$135
U9	\$140
U10-U11	\$150
U12	\$180
U13-16	\$190
U17-U18	\$215
Intermediate, All age and O35	\$315

CUFC component of the fee is unchanged from 2020 for all Mini and Junior players. As advised in 2020, we have now removed match fees for all age groups so every player will have a single all-inclusive fee (*fee paid for age of player regardless of the team that the player joins*).

Full payment is required before any registration is accepted. Any players/parents experiencing significant financial hardship should write to the club via email with a proposed payment plan. Also note that there is a strict **registration deadline of Thur 18th Feb**. Registrations will only be accepted after this date to fill team vacancies.

Full breakdown of fees is shown during the rego process. Each registration fee includes NFA, FNSW and FFA components. It also includes a CUFC component which pays for referee fees, equipment, ground maintenance, field lighting, clubhouse electricity, presentation events, participation/team trophies and many other expenses. Price does not include shorts (\$25), socks (\$15) or any other club merchandise which can be purchased/ordered from the clubhouse.

Parents of school-enrolled children are reminded to claim the **Active Kids voucher** of \$100. It must be claimed **prior to beginning your online registration** as you will need the voucher code at the registration fee payment screen. Click [here](#) for information and to apply for the rebate.

All registrations are submitted online through the Play Football website. You can head straight to our club registration page [here](#).

If you get stuck during the online registration, there is some support provided by the Play Football website [here](#). There's a contact number in the link. Alternatively, you can come along to one of our registration info nights and we'll try help you. These nights are also the ideal time make cash payments for fees, show us your ID if you're new to the club and purchase the club shorts and socks.
