2022 Registration information

Hi members and prospective players, please see below registration fees below for season 2022.

CUFC registration fees 2022	
Age group	Rego fee
U5-U8	\$140
U9	\$145
U10-U11	\$155
U12	\$185
U13-16	\$190
U17-U18	\$220
All age and O35	\$325

CUFC component of the fee is unchanged from 2021 but there has been an increase for some ages due to increases by our governing bodies and due to rounding. Full breakdown of fees is shown during the registration process. Each registration fee includes CUFC, NFA, FNSW and FFA components. The CUFC component covers club costs including for referee fees, equipment, ground maintenance, field lighting, clubhouse electricity, presentation events, participation/team trophies and many other expenses. Price does not include shorts (\$25) or socks (\$15) which need to be purchased and worn for matches.

Full payment is required before any registration is accepted. Any players/parents experiencing significant financial hardship should write to the club via email with a proposed payment plan. Also note that there is a strict **registration deadline of Thur 10th Feb**. Registrations will only be accepted after this date to fill team vacancies.

Parents of school-enrolled children are reminded to claim the **Active Kids voucher** of \$100. It must be claimed **prior to beginning your online registration** as you will need the voucher code at the registration fee payment screen. Click [here](#) for information and to apply for the rebate.

Returning players from 2021 are eligible for a registration discount!

Returning CUFC players can claim the 2021 rebate by selecting the package that states '*played for CUFC in 2021*' during the online registration. There is a separate package for players that did not play for CUFC last season. Make sure you select the correct package to get the correct fee.

All registrations are submitted online through the Play Football website. You can head straight to our club registration page [here](#).

If you get stuck during the online registration, there is some support provided by the Play Football website [here](#). There's a contact number in the link.
