## CLUB PRIORITIES, 2017.

The priorities set for the Club in 2017 are:-

- 1) Promote and maintain the highest possible standards of sportsmanship in amateur sport whilst providing opportunities for member development,
- 2) Promote player and coach development for all age groups and ability levels,
- 3) Promote positive and respectful behaviour by teams whilst playing or representing the Club in football related activities,
- 4) Assimilate new design playing shorts,
- 5) Increase coaching standards by encouraging coaches to gain appropriate qualifications consistent with NFA requirements, with target being 50% of club coaches appropriately accredited,
- 6) Increase junior club competition team membership,
- 7) Implement strategies to increase player retention and club growth including the introduction of a FFA approved program which caters for nursery football,
- 8) Encourage increase involvement by Club members in Club activities and decision making,
- 9) Increase committee membership to provide an equal distribution of committee support for all club members,
- 10) Promote committee by increased visual presence of all committee members,
- 11) Encourage committee members to attend appropriate workshops to ensure best practises governance standards are maintained,
- 12) Review and update the club governance documents including the Club Constitution,
- 13) Ensure that club communications are technologically current and effective,
- 14) Provide an environment that is socially inclusive,
- 15) Continue to improve playing surfaces by adopting sound ground maintenance plans,

- 16) Continue to investigate installation of drainage system for the Eastern field at Andromeda Oval,
- 17) Improve facilities for the benefit of Club members and the community,
- 18) Continue processes to improve equipment storage issues,
- 19) Forge wider connections with the community and local businesses to increase their involvement with the club and attract club sponsorship, and
- 20) Maintain the high standard of playing and training equipment.

## PRESIDENT'S REPORT 2017

Season 2017 is now over and it seemed to fly by quickly. My first season as President has been an interesting one but ultimately I'm happy I took on the role.

Thanks to all our club members for their patience and understanding in helping us deal with the issues experienced on the Western field. The drainage installation problems dragged into a 3<sup>rd</sup> season but at least we managed to play matches on it all year. PCC is looking to make improvements over summer and promised a much better playing surface in 2018. I've been in regular contact with PCC throughout the year and we've seen lots of work done including some additional works like trimming tree branches at Sherringham and line marking the Andromeda carpark.

Thank you to all our club members and who uploaded receipts over the past few months for the Caltex Club. We reached level 3 in the program and have received a combined \$4250 worth of Summit Sports vouchers!!

This year we kicked off the 'kickoff' program which catered primarily for kids in the U4 age group. Thanks to Brendan and Jess for running this successful program.

Congratulations to four league winners (O35-2, U14G-2, U14-3 and U12-6) and the SEVEN finals series winners (U12-4, 12-5, U14-3, AW-3, AW-5, O35-2 and O35-4). Almost 1/3 of the club's comp teams tasted victory in the final! It's pleasing to see our Junior age groups grow again this season and congratulations to the U15 boys on an excellent effort playing in the Div 1 comp for the first time. Our challenge now is to provide the development and enjoyment for all these junior players to stay with our club as they are our future.

Thank you to the club volunteers who have helped out this year as coaches, managers, referees, chefs on the BBQ and serving the canteen. Without your help and support it would make it impossible for the club to function.

Thanks to all the 2017 club and team sponsors. I hope you return in 2018 and continue to build a strong partnership with the club.

Lastly, thank you to our dedicated committee for giving up your time to ensure that our club continues to provide a vital service for the Cranebrook community. In particular, Gail, Dave, Mal and Janet who spent a huge amount of their time running our club. It's a thankless job most of the time but your efforts never go unnoticed.

Brendan Kirkland  
President

## EVERYONE PLAYS THE GAME:

### PRESEASON MATCHES.

The season was scheduled to kick off with preseason matches. For the club, these were planned against Colo, Bligh Park and St Patrick's from Blacktown association. Unfortunately, Mother Nature had other ideas and two of the three weekends were washed out.

Our Premier League Squad were lucky enough to participate in 2 rounds of preseason matches before the rain spoilt further plans.

## FEMALE FOOTBALL.

What a year for our female football teams! The club welcomed new players. Some of the players attended the NFA Female Football week celebrations.

The U14G Div 2 team were a force to beat this year, successfully taking out the league competition and backed it up with silver in the Championship Series Tournament final in a match which went to the wire with a penalty shoot-out.

The Intermediate Women had some convincing wins and were most unlucky not to secure a place in the Championship Series Tournament final.

Our AAW Div 3, AAW Div 5 and AAW Div 6 teams each finished 2<sup>nd</sup> in their league competitions. Each gained a spot to play in the Championship Series Tournament final. The AAW Div 3 and AAW Div 5 teams took home the gold while the AAW Div 6 team had to settle for silver.

Many thanks to Will, Jordan, Glen, Paul and Miro for giving up your time to coach the teams. Sincere thanks to Eija for her work as Female Football Co-ordinator.

The club looks forward to building on the strength of the teams in the future.

## LEAGUE COMPETITION.

### U5-U11 MINIROOS – NON-COMPETITION.

Our miniroo teams enjoyed home and away draws this year. Each U5-U9 coach was accredited with appropriate qualifications. Some of our U8-U11 also gained their accreditation. The philosophy of Miniroos Football focuses on enjoyment and freedom of expression. Fun, participation and falling in love with the game are the important factors. The smiles on the children's faces are the rewards or the spectators.

### U12 – U16 TEAMS:

Each of our Junior Competition teams has done an amazing job this year. They are true ambassadors for the club, and have displayed outstanding sportsmanship and sideline behaviour. The Nepean Football community has remarked on the fine behaviour and friendliness of our teams.

#### Congratulations to the 2017 League Winners.

### ALL AGE TEAMS AND OVER 35s:

Many thanks to the teams who promoted the Club with their positive onfield sportsmanship and spectator behaviour. We are proud of the members who have waved our club flag with pride as they just enjoy playing, supporting other teams and watching football. Special mention must be made of the way that players upgraded to help out other teams. There were occasions when that call was made on a Saturday night or Sunday morning and players always answered the call to support the club teams.

Each team has its own story to tell about the year, and there are some very courageous and humorous stories to hear. Congratulations to every team as you are all winners for your own achievements.

### RECORD SPECTATOR CROWD AT ANDROMEDA.

The day had been a victorious one for our teams, and many members had gathered back at Andromeda to share their wins. The AAW Div 3 team was playing Emu Plains and the sidelines were packed for the final round in the Championship Series Tournament. CUSC needed the win to secure a place in the finals. The ladies have the honour of attracting the biggest crowd this year at Andromeda. What a sight with the western, northern and southern sidelines packed for the battle against Emu Plains! Congratulations to the ladies who went on to win the match.

### CRANEBROOK KICKOFF PROGRAM KICKS OFF

Nepean Football Association grassroots club Cranebrook United held a very successful ALDI MiniRoos Kick-off program at Andromeda Oval in Cranebrook with a number of excited young footballers taking part in the national program.

The program catered for U4 children in a weekly 45-minute session that built skills through games and simple drills delivered in an engaging and inclusive environment by our 'King of the Kids', Brendan Viney and Jess Terry.

Run through the Football Federation of Australia (FFA), it was highly evident that the club had taken a liking to the program. Places in the first session filled quickly and the club organised a second session.

Football NSW and Game Development Officer for MiniRoos Zac Ribiero visited the program along with Fran Refalo and James Rankine, both from NFA. Each was delighted with the presentation and enthusiasm Cranebrook United displayed.

### CHAMPIONSHIP SERIES TOURNAMENT.

At the conclusion of the league competition, competition teams were divided into two pools of teams within their divisions to play a round robin tournament. This is a totally different competition. The highest scoring team in each pool then progresses to compete in the final. The journey produced some surprises for our teams. At the conclusion, ten CUSC teams competed in the finals, making CUSC the second highest representative club in that tournament. The atmosphere at Finals Weekend confirmed the club spirit as teams met to cheer on other teams. CUSC had its own supporters' station, uniting the club members with a place to call home for the two days.

## RESULTS FOR CHAMPIONSHIP SERIES TOURNAMENT FINALS

U12 Div 4	Won
U12 Div 5	Won
U14 Girls	Defeated in penalty shoot out
U14 Div 3	Won
U14 Div 4	Defeated
AAW Div 3	Won
AAW Div 5	Won
AAW Div 6	Defeated
O35 Div 2	Won
O35 Div 4	Won

### NEPEAN CUP.

This year the U12 Div 5 team, U12 Div 6 team and the prem squad were entered into the Nepean Cup tournament.

The U12 Div 5 team went through to the quarter finals before being knocked out by one of the teams who went on to play in the final.

The U12 Div 6 team enjoyed playing under the lights t Andromeda but were knocked out by Wollemi FC.

The Prem squad team fought their way through to the quarter final, being knocked out by the eventual tournament winners.

It was wonderful seeing three teams compete this year in the tournament.

### WESTFIELD FFA CUP

This year the club entered its Prem Squad to play in the Westfield FFA Cup. The first match was held at Blacktown Football Park on 19 March. Club members and friends headed on down to support our team as they took on North Epping Rangers Sports' Club. The club is proud of the efforts of the team who unfortunately went down to North Epping Rangers 4-1.

### THANKS TO OUR COACHES AND MANAGERS.

Each week our coaches and managers give up their time to coach and manage the club teams. There is much behind the scenes work involved, and without the invaluable contribution and commitment of these people, our teams would not be on the park. The club appreciates the work performed by the coaches and managers. Our heartfelt thanks to each for your efforts and contributions to our club.

## PLAYER, COACH AND VOLUNTEER DEVELOPMENT:

- \* Appointment of coaching staff to the Prens Squad.
- \* Encouragement for our players to attend holiday development clinic, Female Football Day, Nepean Football Development programs and WSW development programs.
- \* Coaching courses attended by coaches at all levels.

\* CUSC has one of the highest coach accreditation percentages across the association. The club continues to strive for a higher percentage of accredited coaches. To achieve this, coaches are invited to attend coaching courses funded by the club.

\* Guest coaching sessions by former representative players

\* Mini-roo teams merged to train together.

\* MC members encouraged to attend administration forums and courses conducted by NFA, PCC and Sport and Recreation.

Our mini-roo co-ordinator, Paul, actively encouraged mini-roo teams to train together and utilise the training equipment available for all teams.

Throughout all age groups, coaches freely shared ideas and often combined teams for joint training sessions. Wednesday nights at Andromeda saw many of the All Age teams training together, encouraging each other and sharing ideas.

## REFEREE COVERAGE:

95% Most of our games were covered in 2017 by official NRG appointed referees which is most welcome by the club. Thanks to the club members who stepped up to cover the remaining games. Your club spirit is greatly appreciated with glowing examples such as one of our AA Women stepping up to officiate for one of the AAM matches and former players taking on the role as well.

## DISCIPLINARY MATTERS:

The club prides itself in promoting the high standards of sportsmanship, and positive and respectful behaviour by teams, team officials and spectators, whilst playing or representing the Club. The club urges every member, every spectator and every visitor to display respect to opposition players, match officials, club officials and fellow members.

**Red Cards:** 15 - five of which were R7 sendoffs.

**Yellow Cards:** 122 from U12s through to AA teams, both male and female.

**Team Misconduct:** 1

**Notices of Charge:** 5

**GPT:** 1

**Appeals:** 1

The club in 2017 also dealt with some disciplinary matters internally. These included standing down its own coaches, managers and players, as well as limiting the attendance at matches of spectators.

## SHOOSH FOR KIDS:

The SHOOSH for Kids campaign which aims at promoting positive sideline behaviour at junior sports events was conducted at Andromeda in May. Our teams enjoyed stickers, hi-fives: there were lollypops for the sideline spectators and a very quiet message from our players. Thank you to everyone who joined in the event to raise awareness of the need for respectful behaviour from everyone. Perhaps the most telling remark from an U12 player was that for the first time this year he could hear his coach's directions.

## EQUIPMENT.

Quite a few teams took advantage of the equipment we have available for training use.

The club received support with equipment through donations from Aldi for the junior equipment needs and Amart for the senior teams. It is also acknowledged that many teams have their own training equipment, courtesy of coaches and parents.

There is however the recurring issue with teams allowing players to take individual jerseys home after games. Unfortunately it is not uncommon to see playing jerseys being worn throughout the community. This is disappointing as the jerseys are an expensive item for the club to replace.

Equipment return level at the end of the season was extremely disappointing with any teams yet to return equipment.

Introduction of *My Game Guru* made life much easier for our club members.

## INJURIES.

CUSC encourages safe practices at training and during matches. There is a well-stocked first aid kit available along with ice. The club has a number of senior first aid trained members and ensuring that one such member is available at the fields is important to the management. As in any sport, injuries do happen. Emergency procedures clicked into action only once during the season with an ambulance attending the fields. The appropriate paperwork was completed for each incident, and where necessary, insurance forms were submitted to NFA.

## CLUB FINANCIAL REPORT.

The Club remained in a strong financial position in 2017. All areas for the year remained within budget. The effective Club income for 2017 was \$97 384.27. Effective expenditure for the Club in 2017 was \$75 943.62. This represents a profit of \$21 440.65. However this profit figure does need to be viewed with the knowledge that there are two junior presentation events to occur with an estimated outstanding cost of \$7 000.

There are outstanding debts to the club totalling \$2 350.00. Every effort has been made to recover these debts, and the members concerned need to realise that they will not be able to register with the club for future membership until their debts are paid.

### Club Bank Accounts

## COMMUNITY REPRESENTATION.

Players, coaches and Committee represent CUSC at the Nepean Dragons senior gala day.

CUSC AA players, coaches and committee members represented the club at the Nepean Dragons senior teams' day celebrations in July. Everyone experienced a new way of understanding the game, by playing alongside and against the Nepean Dragons, whose passion for playing is rewarding for all. Thank you - you have been great ambassadors for CUSC. Nepean Dragons always enjoy these days.

### BUNNINGS BBQ

Two CUSC teams conducted Bunnings BBQs this year. Both were very successful days. Days such as this promote the club within the community.

### MAMA LANAS COMMUNITY KITCHEN

The club proudly donated some excessive stock to Mama Lanas, a very deserving group which provides support to our community.

## CRANEBROOK UNITED CHILDREN PLAY AT WSW MATCH

25 November 2016

CUSC was represented at the WSW match at Spotless Stadium when some of our miniroo players took to the pitch at half time. They entertained the crowd and displayed their skills with flare.

## WESTERN FIELD OUT OF ACTION.

Much to the club's disappointment, the Western field remained an ongoing concern. Following meetings with PCC, the decision was made to close the field for weeknight activities. Whilst the field continued to drain well but the grass coverage was poor, leaving sand trenches in the field. The teams, coaches and managers were accommodating to overcome this difficulty and Sherringham was utilised to a greater degree with Jamison Park 6 taking on our night matches.

Hopefully, it will be right for 2018 once the promised works are completed.

## SENIOR PRESENTATION.

*Saturday, 23 September, 2017*

Senior Presentation this year was held at The Peachtree Hotel. 160 people attended the function and enjoyed mixing with members from many teams. The night was perfect with a light breeze cooling what had been a hot day.

The buffet meal catered for everyone with an assortment of hot and cold dishes and an amazing spread of cakes for dessert.

Teams were each recognised for their fine efforts and achievements throughout the year. Talk about the wonderful representation in the CST finals was abuzz. Presentations were made to many of our members, recognising outstanding efforts on the fields and reflecting on the social nature of our club. Also recognised was the work of our coaches and managers, our committee and every club and community member who contributed to the running of the club throughout the year.

## JUNIOR PRESENTATION.

The weather was perfect for Footgolf as the Junior Competition teams. The club players, coaches and managers enjoyed a round of Footgolf, sausage sandwich and drink. The players received a participation trophy, a gift from the club and a showbag. Each team also recognised team members with special awards. Thank you to the club members for joining in on the day to celebrate the achievements of our junior teams.

## MINIROO PRESENTATION.

The Mini-roo Presentation was held on 21 October, 2017 at Jamison Park. There was a face painter, a magician, a balloon artist, funny face biscuit making, beading, fairy floss, showbags, gifts and games. Each of our mini-roo players received a trophy. There were 5 year service awards, drinks and sausage sandwiches.

Our club families took advantage of the venue and the carnival-like atmosphere was enjoyed by everyone. Special thanks to the club committee and club members for your assistance on the day.

*Sincere thanks to the club committee and club members for the tremendous effort and assistance with preparations and the delivery of three amazing presentations. Each event was successful and enjoyed by the club members and families as united we celebrated the 2017 season.*

## SOCIAL EVENTS.

### MOTHERS' DAY:

Mothers' Day was celebrated at Andromeda this year with chocolates, fruit, tea, coffee and cake for the mums who were at the fields. Many of our AAWs teams were playing at Andromeda on Mothers' Day and it was wonderful being able to share the day with those players, spectators and partners who are mums.

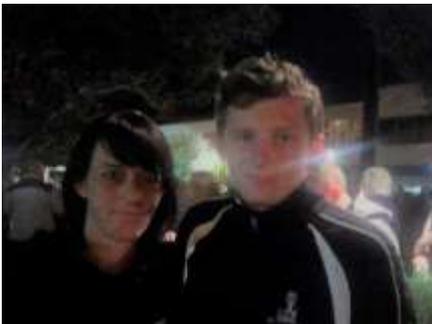

***Happy Mothers' Day to every mum!***

### GREEN SOCK WEEKEND:

On the back of a successful Green Sock Day in 2016, the club once again rallied to raise funds for Spinal Injury Awareness. For Green Sock Weekend club members were invited to purchase green socks to wear during matches on the weekend. Along with the green socks were green jelly cups, green cordial, green lollies, green funny face biscuits, raffles

and prizes. Visiting teams from other clubs joined in the

event. The club raised almost \$1 000 was raised for Spinal Injury Research.

### CUSC MEMBERS JOIN FOOTBALL FAMILY AT ANZAC DAWN SERVICE IN PENRITH.

### CALTEX CLUB

The club took advantage of the Caltex Club offer and the rush was on to collect receipts with coaching seminars and equipment dollars on offer.

Thanks to everyone who got behind the scheme for the benefit of the club.

### A 'GOOD SPORTS CLUB'

The club continued in the 'Good Sports' program, being promoted to level 3. Being a 'Good Sports' club, means it has registered its commitment to long-term improvement of its culture, its facilities and for its members as a whole. Continuing commitment to the program is indicated by the club's responsible approach to alcohol, drugs, health and fitness in general.

## THE MATILDAS WERE IN TOWN.

## CANTEEN REPORT.

The canteen is run by the club members for the benefit of the club and its members.

Many thanks to Janet for co-ordinating the canteen operations each week.

The canteen has had another successful year due to the support of the club members, their families, and the dedication of the club committee. The BBQ was a very busy place, with over 3000 sausages and eggs and 300kg bacon cooked. Many tears were also shed chopping 150kg of onions. Many discussion, laughs were had, and friends made while helping out in the canteen and on the BBQ. The canteen sold a wide range of products. A variety of drinks, lollies, chips, pies, sausage rolls, tea, coffee and hot chocolate that were a hit on those cold winter mornings.

A big thanks to Wayne who volunteered his time every Sunday to help out on the BBQ. And a huge thanks to everyone who went above and beyond in helping and supporting the club's canteen.

The canteen stocked a wide variety of drinks and food, and was complimented by an extensive BBQ menu.

Most popular drink – bottled water

Most popular lolly – bag of red frogs

Most popular BBQ item – Bacon and Egg sandwich

Profit from the canteen in 2017 was \$21 517.

## FUTURE DIRECTION.

As the Club moves into 2018, positive, planned direction will ensure that priorities set for the Club reflect the philosophy of the Club and the wishes of Club members whilst complying with the rules and regulations of our governing bodies - NFA, FNSW, FFA and the various government bodies to which the Club must report.

The Club management plan has set out the long term direction. These include:-

- \* Promote and maintain the highest possible standards of sportsmanship in amateur sport whilst encouraging and providing opportunities for member development,
- \* Promote player and coach development for all age groups and ability levels,
- \* Promote positive and respectful behaviour by teams whilst playing or representing the Club
- \* Maintain the high standard of playing and training equipment,
- \* Encourage increase involvement by Club members in Club activities and decision making,
- \* Provide an environment that is socially inclusive,
- \* Maintain playing and training surfaces by adopting sound ground maintenance plans,
- \* Improve and maintain facilities for the benefit of Club members and the community,
- \* Forge wider connections with the community and local businesses.

## CLUB SPONSORS.

The Club is most appreciative of the many businesses and people that sponsor and support the Club. This is indicative of forging wider connections with the community and local businesses.

Club sponsorship attracted much needed funds to offset costs throughout the year.
