

Calling On All Club Members to Help!

Cranebrook United Soccer Club prides itself in being run by its members for the benefit of its members. The club is only able to provide the service to its members with the help of its members and friends!

Please remember the club's committee are all volunteers. They do what they do for the love of the game, for the passion of the club and to support you, the members. It is a team effort behind the scenes too. But they cannot do it alone!

Cranebrook United Soccer Club needs your help.

It might be that you are able to help with :-

- Coaching a team,
- managing a team,
- the set up of fields at the start of the season,
- field marking,
- preseason friendly game days,
- registration days,
- the SSF clinic,
- the canteen or working on the BBQ,
- fund raising,
- sponsorship,
- refereeing,
- social events,
- setting out and packing up the fields on game days,
- putting rosters together,
- field watch program,
- opening gates and toilets on training days,
- turning on training lights.
- equipment maintenance,
- general maintenance,
- general cleaning.

No matter how small it seems, every little bit helps, spreads the load for the benefit of our club and is greatly appreciated!

Any committee member is happy to talk to you about possible ways you can help.
